IN THE FOOTSTEPS OF JESUS

If you've ever wondered about Jesus the man and His life, and about life in His times, you'll love the three films presented on this page!

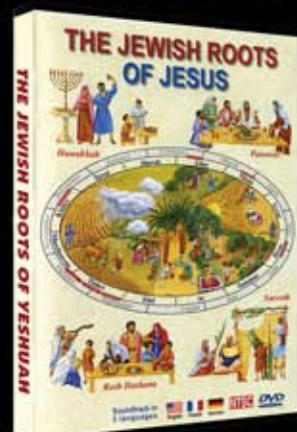

This DVD guides you through the life, teachings, sojourning, and miracles of Jesus, from birth to presentation at the Temple, from Nazareth to Bethany, from the Mount of Olives to Calvary. Educational and inspirational narration tells the stories of each holy place in the words of the Bible along the way, transforming what might have once seemed like distant and ancient episodes into very real, very modern lessons for the present. It is a good thing to have read the Bible. But it is a hard book to really know unless one has been to its home, has seen what it witnesses. This film turns the printed text into a living one so that you can now not only imagine it, but actually experience it.
