

# HEBREW WORD PICTURES

BY DR. FRANK T. SEEKINS - OFFERED BY WWW.HEBREW1.COM

877-550-7630

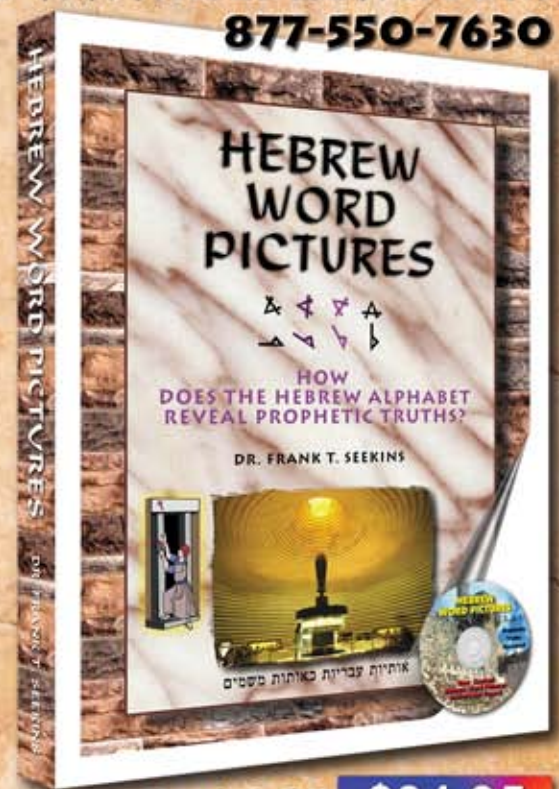

Explore your roots with the exciting ancient resources of the pre Biblical and Biblical Hebrew. It will show you with pictures how the Hebrew alphabet reveals prophetic truths and illuminates the Word. Each page will show you how these ancient letters declare the Gospel. This is not an ordinary book that you read and then set aside - Hebrew Word Pictures is a guide for life that shows new things in your life as time goes by and you experience new events.

## What is a word picture?

★ In ancient Hebrew, like in Chinese and ancient Egyptian, every word is formed by adding pictures together to "paint" or illustrate the meaning of the word. A word picture is a word that is described by pictures.

★ You don't have to know Hebrew in order to understand and to use this book effectively when you read the Bible.

★ When Hebrew was first written, each letter represented both a sound and a picture. Even if you or the people you teach are not familiar with the Hebrew sounds and have no experience with this language, the pictures you see inside the words speak for themselves.

## Why Hebrew Word Pictures are important to believers?

*"Every so often, something comes along that can help move your spiritual life into high gear. I'm convinced that Frank Seekins' concept of "Hebrew Word Pictures" is such a concept. With so many books and conferences about biblical principles, this one can help you better understand and love God's Word itself. As someone who's studied "word pictures" for years, seeing them come alive in the very letters of Scripture is like adding color to a classic movie. I highly recommend it for anyone interested in gaining a deeper love and understanding of the Scriptures.*

*John Trent, Ph.D, Author, Speaker. President of Encouraging Words.*

Hebrew Word Pictures is used in many seminaries across the country, in Bible study classes, by individuals seeking a deeper level of understanding their Christian heritage, and by parents home schooling their children.
