A YEAR THROUGH THE TORAH

A WEEK-BY-WEEK JOURNEY FOR CHRISTIANS

Centuries before Jesus walked the earth, Ezra the Scribe and the 120 elders of the Great Assembly divided the first five books of the Bible -- the Torah -- into 54 portions so that in the course of a year the entire scroll would be recited during services. This practice is still observed in synagogues around the world today.

Jesus said that these Scriptures plainly testify of Him (John 5:39). "And beginning with Moses and all the Prophets, he interpreted to them in all the Scriptures the things concerning himself" (Luke 24:27). Now you can better understand how the Jewish Scriptures bear witness that Jesus is the promised Messiah of Israel by studying the weekly Torah portion for yourself!

BY JOHN J. PARSONS

CONNECTING CHRISTIAN LIFE TO ITS RICH ORIGIN

This life-transforming study provides you with a complete guide to the weekly Torah readings. Each chapter, covering a single Torah portion, features a wealth of insights and resources, including selections of Torah text (with English transliterations) as well as portions and from the New Testament. Careful attention is taken to demonstrate how Yeshua (Jesus) is powerfully revealed in the Jewish Scriptures.

"With a Year Through the Torah, now Christians and Messianic Jews can restore Torah study as the exegetical foundation for their New Testament studies."

Hebrew Psalms translated to musical notes produce Heavenly Music!

For years, Uri, an Israeli Hebrew teacher, deeply believed that there was music in the Bible. Uri knew of an ancient Jewish tradition, teaching that God used the Bible and the 22 Hebrew letters as a blueprint for the creation of the world. Current evidence confirms that the original text of the Hebrew Bible is multi-layered and goes much deeper than the surface text. **Divine codes seem to be embedded in the Bible.** One of the layers of this complex text is assumed to be music. In June 1997, after researching the musical aspects in the Bible, Uri assigned a musical note to each Hebrew letter and let the Bible "play itself..." The result was simply stunning!

CD 1 - (the green CD) emphasizes amazing meditative power

It is beautiful and meditative. Part of the music sounds like ocean waves, other parts lift the spirit and fill the listener with joy. Tradition tells us that hearing Psalms in Hebrew brings healing to the sick and helps overcome adversity. The combination of Hebrew syllables apparently produces this wonderful effect. **Psalms chapters known for their healing properties were used in these 3 CDs.** The assumption was that healing will occur while listening to Psalms in a musical form. In an amazing way, it seemed to work just as predicted. People report an immediate calming effect, a meditative healing quality that sounds unlike anything they have heard before!
